PROXY STATEMENT

ANNUAL MEETING OF SHAREHOLDERS TO BE HELD JUNE 11, 2024 INFORMATION CONCERNING SOLICITATION AND VOTING

Our Board of Directors (the “Board”) solicits your proxy on our behalf for the 2024 Annual Meeting of Shareholders (the “Annual Meeting”) and at any postponement or adjournment of the Annual Meeting for the purposes set forth in this Proxy Statement. The Annual Meeting will be held at 3600 Centerpoint Parkway, Pontiac, MI 48341 on Tuesday, June 11, 2024 at 10:00 a.m. local time.

On or about April 26, 2024, we intend to mail to our shareholders of record a Notice of Internet Availability of Proxy Materials (the “Notice”). The Notice will contain instructions on how to access this Proxy Statement and our 2023 annual report to shareholders, through the Internet and how to vote through the Internet. The Notice also will include instructions on how to receive such materials, at no charge, by paper delivery (along with a proxy card) or by e-mail. Beneficial owners will receive a similar notice from their broker, bank, or other nominee. Please do not mail in the Notice, as it is not intended to serve as a voting instrument. Notwithstanding anything to the contrary, we may send certain shareholders of record a full set of proxy materials by paper delivery instead of the notice or in addition to sending the notice.

We currently intend to hold the Annual Meeting in person. However, in the event we determine it is not possible or advisable to hold the Annual Meeting in person, we will publicly announce alternative arrangements for the Annual Meeting as promptly as practicable before the Annual Meeting. Please monitor our website at www.zivobioscience.com for updated information.

Unless we state otherwise or the context otherwise requires, references in this proxy statement to “we,” “our,” “us,” the “Company,” or “Zivo” are to Zivo Bioscience, Inc., a Nevada corporation.

Voting of Shares by Proxy

Shareholders may vote at the Annual Meeting by attending in person or by proxy. Execution of a proxy will not in any way affect a shareholder’s right to attend and vote at the Annual Meeting. Any proxy given pursuant to this solicitation may be revoked by the person giving it any time before it is voted. Proxies may be revoked by (1) filing with our Secretary, before the taking of the vote at the Annual Meeting, a written notice of revocation bearing a date later than the date of such proxy, (2) duly executing a later dated proxy relating to the same shares and delivering it to our Secretary before the taking of the vote at the Annual Meeting or (3) attending and voting at the Annual Meeting (although attendance at the Annual Meeting will not in and of itself constitute a revocation of a proxy). If your shares are held in “street name,” that is, you hold your shares in an account with a bank, broker or other holder of record, you must obtain a proxy, executed in your favor, from your broker or other holder of record, to be able to vote at the Annual Meeting. Any written notice of revocation or subsequent proxy should be sent to Zivo Bioscience, Inc., 21 E. Long Lake Road, Suite 100, Bloomfield Hills, MI 48304, attention: Corporate Secretary, at or before the taking of the vote at the Annual Meeting.

Record Date

The close of business on Friday, April 12, 2024 has been fixed as the record date for the determination of shareholders entitled to notice of and to vote at the Annual Meeting or any adjournments thereof. As of April 12, 2024, we had outstanding 2,802,988 shares of our common stock, par value \$0.001 (the “Common Stock”). A shareholder is entitled to cast one vote for each share held on the record date on all matters to be considered at the Annual Meeting.

Quorum and Votes Required

The representation in person or by proxy of at least a majority of the outstanding shares of Common Stock entitled to vote at the Annual Meeting is necessary to establish a quorum for the transaction of business at the Annual Meeting. Votes withheld from a nominee, abstentions and broker “non-votes” are counted as present or represented for purposes of determining the presence or absence of a quorum. A “non-vote” occurs when a broker holding shares for a beneficial owner does not vote on a proposal because the broker does not have discretionary voting power and has not received instructions from the beneficial owner.

Directors will be elected by a plurality of the votes cast by shareholders entitled to vote at the Annual Meeting. Proposals 2 and 3 require the affirmative vote of the majority of the votes cast at the Annual Meeting. An automated system administered by our transfer agent tabulates the votes. The vote on each matter submitted to shareholders is tabulated separately. Abstentions and broker “non-votes” are included in the number of shares present or represented for purposes of determining whether there is a quorum, but are not considered as shares voting or as votes cast with respect to any matter presented at the Annual Meeting. As a result, abstentions and broker “non-votes” will not have any effect on any of the proposals.

The persons named as the proxies, John B. Payne and Keith R. Marchiando, were selected by the Board and are executive officers of the Company.

By order of the Board of Directors
Zivo Bioscience, Inc.

The Board has a standing Nominating and Corporate Governance Committee. The Nominating and Corporate Governance Committee, in selecting individuals to be nominated for election to the Board, considers, among other things, the following qualifications in nominating an individual: diversity in background, age, experience, qualifications, attributes and skills, independence, integrity, business experience and acumen, education, accounting and financial expertise, reputation, civic and community relationships and industry knowledge and relationships. **PROPOSAL NO. 1
ELECTION OF CLASS II DIRECTOR**

Our Board is divided into three classes. Members of each class serve staggered terms. Our Class II director will stand for election at the Annual meeting. The terms of office of directors in Class I and III do not expire until the annual meetings of shareholders to be held in 2026 and 2025, respectively, each holding office until their respective successors have been duly elected and qualified, or until he or she becomes disabled or is otherwise removed.

Director Nominee

Our Board has nominated Nola E. Masterson, age 77, for election as a Class II director to serve for a three-year term ending at the 2027 annual meeting, or until her successor is duly elected and qualified, or until she becomes disabled or is otherwise removed. Ms. Masterson is a current member of our Board and has consented to serve if elected.

Ms. Masterson will be elected by a plurality of the votes present in person or represented by proxy at the Annual Meeting and entitled to vote. This means that the individual nominated for election to the Board at the Annual Meeting receiving the highest number of “FOR” votes will be elected. You may either vote “FOR” the nominee or “WITHHOLD” your vote with respect to the nominee. Shares represented by proxies will be voted “FOR” the election of the Class II nominee, unless the proxy is marked to withhold authority to so vote. Proxies may not be voted for a greater number of persons to the Board than the number of nominees named herein. If the nominee is unable or unwilling to serve at the time of the Annual Meeting, which we do not expect to happen, the persons named as proxies may vote for a substitute nominee chosen by the present Board, or the Board will have a vacancy, which it may fill at a later date or reduce the size of the Board. We have no reason to believe that the nominee will be unwilling or unable to serve if elected as a director. Additional information regarding the director nominee and directors of the Company is set forth below.

INFORMATION WITH RESPECT TO THE BOARD OF DIRECTORS

The following is a brief description of the structure and certain functions of our Board. Each of the current directors is serving until his or her respective successor is duly elected and qualified, subject to earlier resignation. The Board currently consists of four directors, one of whom is an employee director, and one of whom has been nominated for election as a director at this Annual Meeting. Even though we are not subject to the listing standards of the Nasdaq Stock Market LLC ("Nasdaq"), we have chosen to implement Nasdaq independence standards to determine the independence of our directors. During 2023, our Board determined that Mr. Maggiore, Ms. Cornell, Ms. Masterson were all independent within the meaning of these standards. Mr. Payne was considered independent until his appointment as Chief Executive Officer on January 8, 2022. Under the rules of Nasdaq, a director will only qualify as an "independent director" if, in the opinion of that company's board of directors, that person does not have a relationship that would interfere with the exercise of independent judgment in carrying out the responsibilities of a director. Each director was nominated based on his or her knowledge of the Company, his or her skills, expertise and willingness to serve as a director. The Board usually meets in scheduled meetings either in person, via conference telephone call or other remote means. The Board held 10 meetings during the fiscal year ended December 31, 2023. Each of the directors attended at least 75% of the scheduled meetings of the Board, and applicable committee meetings, if such director served on the committee, during the period. Members of the Board are strongly encouraged to attend the Company's annual meeting of shareholders in person. If attendance in person is not possible, members of the Board are strongly encouraged to attend the Company's annual meeting of shareholders via telephone or similar communication equipment. Each of the directors attended the annual meeting of shareholders in 2023.

Structure and Operation of the Board

Mr. Payne acts as the Chairman of our Board and as our President and Chief Executive Officer (“CEO”). The Board believes that the Company’s CEO is best situated to serve as Chairman because he is the director most familiar with the Company’s business and industry, and most capable of effectively identifying strategic priorities and leading the discussion and execution of strategy. The Chairman/CEO is totally immersed in the Company’s day-to-day operations and is in the best position to bring his ideas to the independent directors. The independent directors can then use their collective experience, oversight, and expertise to bear in determining the strategies and priorities the Company should follow. The Board believes that the combined role of Chairman and CEO promotes the best interests of the Company and makes the best use of the expertise of the Chairman/CEO and his unique insights into the challenges facing the Company, the opportunities available to the Company, and the operations of the Company. Together, the Chairman/CEO and independent directors develop the strategic direction of the Company. The Board believes that this is the appropriate balance of having a fully informed Chairman and independent oversight.

The Board has three standing committees: Audit, Compensation, and Nominating and Corporate Governance committees. The following is a brief description of each of these committees.

Compensation Committee

The Compensation Committee, which is currently comprised of Ms. Cornell, as Chair, Ms. Masterson and Mr. Maggiore, may approve, depending on the availability of the full Board, grants of awards to employees, may determine the terms and conditions provided for in each option grant, and may, as requested by our President and Chief Executive Officer, review and recommend to the Board the amount of compensation to be paid to our officers. The Compensation Committee generally convenes on an as-needed basis. The Compensation Committee met 2 times during 2023. The Board has determined that each member of the Compensation Committee is independent, as independence is defined under the rules of Nasdaq. Our Compensation Committee charter is available on our website, www.zivobioscience.com, under the “Investors - Corporate Governance” tab.

Nominating and Corporate Governance Committee

The Nominating and Corporate Governance Committee is currently comprised of Ms. Masterson, as Chair, and Ms. Cornell. The Nominating and Corporate Governance Committee is responsible for, among other things, considering potential members of the Board, making recommendations to the full Board as to nominees for election to the Board and assessing the effectiveness of the Board. The Nominating and Corporate Governance Committee will consider director candidates recommended by shareholders. Any such candidates will be evaluated on the same basis as other candidates being evaluated by the Nominating and Corporate Governance Committee. Information with respect to such candidates should be sent to Zivo Bioscience, Inc., 21 East Long Lake Road, Ste 100, Bloomfield Hills, MI 48304, Attention: Secretary. The Nominating and Corporate Governance Committee considers the needs for the Board as a whole when identifying and evaluating nominees and, among other things, considers diversity in background, age, experience, qualifications, attributes and skills in identifying nominees, although it does not have a formal policy regarding the consideration of diversity. The current director nominee was recommended by the Nominating and Corporate Governance Committee. The Nominating & Corporate Governance Committee met 2 times during 2023. The Board has determined that each member of the Nominating and Corporate Governance Committee is independent, as independence is defined under the rules of Nasdaq. Our Nominating and Corporate Governance Committee charter is available on our website, www.zivobioscience.com, under the “Investors - Corporate Governance” tab.

Audit Committee

The Audit Committee reviews with management and the Company’s independent public accountants the Company’s financial statements, the accounting principles applied in their preparation, the scope of the audit, any comments made by the independent accountants upon the financial condition of the Company and its accounting controls and procedures and such other matters as the Audit Committee deems appropriate.

The functions of the Audit Committee include:

- Selecting our independent auditors;
- Reviewing the results and scope of the audit and other services provided by our independent auditors; and
- Reviewing and evaluating our audit and control functions.

The Audit Committee is currently comprised of Ms. Cornell, as Chair, and Ms. Masterson and Mr. Maggiore. The Board has determined that each of Ms. Cornell, Ms. Masterson, and Mr. Maggiore is “independent” under Nasdaq independence standards. Additionally, the Board has determined that Ms. Cornell qualifies as an “audit committee financial expert” as that term is defined in rules promulgated by the SEC. The designation of an “audit committee financial expert” does not impose upon such persons any duties, obligations or liabilities that are greater than those generally imposed on each of them as a member of the Audit Committee and the Board, and such designation does not affect the duties, obligations or liabilities of any other member of the Audit Committee or the Board.

The Audit Committee met 4 times in 2023. Our Audit Committee charter is available on our website, www.zivobioscience.com, under the “Investors - Corporate Governance” tab.

Audit Committee Report

The information contained in the following report is not considered to be “soliciting material,” “filed” or incorporated by reference in any past or future filing by us under the Securities Exchange Act of 1934, as amended (“Exchange Act”) or the Securities Act of 1933, as amended (“Securities Act”) unless and only to the extent that we specifically incorporate it by reference.

The Audit Committee has reviewed and discussed with our management and BDO USA, P.C. (“BDO”) our audited consolidated financial statements as of and for the fiscal year ended December 31, 2023. The Audit Committee has discussed with the independent registered public accounting firm the matters required to be discussed by the applicable requirements of the Public Company Accounting Oversight Board (“PCAOB”) and the SEC.

The Audit Committee has received and reviewed the written disclosures and the letter from BDO required by applicable requirements of the PCAOB regarding the independent accountant’s communications with the audit committee concerning independence and has discussed with BDO its independence.

Based on the review and discussions referred to above, the Audit Committee recommended to the Board that the audited financial statements be included in our company’s Annual Report on Form 10-K for the fiscal year ended December 31, 2023, for filing with the SEC.

Audit Committee:

Alison A. Cornell
Christopher D. Maggiore
Nola E. Masterson

For valuation assumptions used in determining the grant date fair value of stock options using the Black Scholes pricing model, see Note 9 – STOCKHOLDERS EQUITY (DEFICIT) to our audited financial statements included in the Company's Annual Report on Form 10-K for the year ended December 31, 2023 filed with the SEC on March 15, 2024.

Executive Compensation Programs

In 2023, the Compensation Committee reviewed financial information and other performance metrics relative to the historical compensation of executive management and comparative information prepared internally. The Compensation Committee also reviewed management's recommendations for compensation levels of all of the Company's senior executive officers and considered these recommendations. The totality of the information reviewed by the Compensation Committee was considered when establishing current executive salary levels, and similar analysis is expected to be considered when reviewing and establishing future salaries and long term incentives. The Company's compensation policies and practices are intended to ensure that they do not foster risk taking above the level of risk associated with the Company's business model. For this purpose, the Compensation Committee generally considers the Company's financial performance, comparing that performance to the performance metrics included in the Company's annual financial plan. The Compensation Committee also generally evaluates management's compensation in light of other specific risk parameters. Based on this assessment, the Compensation Committee believes that the Company has a balanced pay and performance program that does not promote excessive risk taking.

The Company's compensation programs are aimed at enabling it to attract and retain the best possible executive talent and rewarding those executives commensurate with their ability and performance. The Company's compensation programs consist of base salary, cash bonus, and equity grants.

Base Salary. Base salaries for executive officers are determined in the same manner as those other salaried employees. Salaries are established by the Board evaluating the responsibilities of the individual's position in relation to similar positions in other nutraceutical companies of similar size. Individual salary increases were determined this year by considering respective levels of responsibility, position, and performance.

Bonuses. The Compensation Committee determined the financial position of the Company did not support the payment of cash bonuses for 2023.

Equity Grants. The Compensation Committee made no awards of equity to employees for the 2023 calendar year.

Employment Agreements

As of December 31, 2023, we had an employment agreement in place with our current President and Chief Executive Officer and our current Chief Financial Officer.

Mr. Payne's Employment Agreement:

On February 15, 2022, the Company entered into a written agreement concerning Mr. Payne's employment (the "Payne Contract"). Under the terms of the Payne Contract, Mr. Payne will serve as the Company's President and Chief Executive Officer on an at-will basis. Mr. Payne will receive an annual base salary, commencing on February 15, 2022, of \$400,000. Mr. Payne is eligible for an annual performance bonus of no less than fifty percent (50%) but no more than one hundred twenty-five percent (125%) of Mr. Payne's effective salary for the applicable bonus year.

If Mr. Payne's employment is terminated for any reason by either the Company or Mr. Payne, Mr. Payne shall be entitled to receive the following: any accrued but unpaid base salary through the date of termination; reimbursement for unreimbursed expenses properly incurred by Mr. Payne prior to the date of termination; and such employee benefits, if any, to which Mr. Payne may be entitled under the Company's employee benefit plans as of the date of termination.

On December 22, 2022, the Board approved an amendment to the Payne Contract (the "Payne Amendment") modifying the terms of Mr. Payne's Long Term Incentive Compensation (as defined in the Payne Amendment). Under the Payne Amendment, the Company shall award Mr. Payne that number of stock options pursuant to the 2021 Plan with an approximate value of \$400,000 on the date of the grant, determined in accordance with, and subject to the terms and conditions of, the 2021 Plan and the applicable award agreement.

Mr. Marchiando's Employment Agreement:

On January 1, 2021, the Company entered into an employment letter with Mr. Marchiando (the "Marchiando Agreement"). Pursuant to the Marchiando Agreement, Mr. Marchiando will serve as Chief Financial Officer of the Company for one year, with successive automatic renewals for one year terms, unless either party terminates the Marchiando Agreement on at least sixty days' notice prior to the expiration of the then current term of the Marchiando Agreement. Furthermore, under the terms of the Marchiando Agreement, Mr. Marchiando will receive an annual base salary ("Marchiando Base Salary") of \$280,000 commencing on January 1, 2021, and the Marchiando Base Salary will increase to \$300,000 if within one (1) year after the effective date of the agreement, the Company entered into a term sheet and received related financing of at least \$10 million in equity or other form of investment or debt ("Third Party Financing") on terms satisfactory to the Company's Board.

If Mr. Marchiando's employment is terminated by the Company due to death or Disability, or without Cause, or if Mr. Marchiando resigns for Good Reason (each as defined in the Marchiando Agreement) or if either party does not renew the employment term, Mr. Marchiando will be entitled to receive the following severance benefits: a continuation of the Marchiando Base Salary for one year, payment of an amount equal to Mr. Marchiando's target bonus in the year of termination and a fully-vested, nonqualified stock option to purchase 1,000,000 shares of Common Stock. Additionally, all outstanding and contingent nonqualified options owned directly or beneficially by Mr. Marchiando shall be converted immediately into vested options, with terms as specified in the applicable award agreement.

The Marchiando Agreement provides that if a Change of Control (as defined in the Marchiando Agreement) occurs and Mr. Marchiando resigns for Good Reason (as defined in the Marchiando Agreement) or Mr. Marchiando's employment is terminated without Cause (as defined in the Marchiando Agreement) during the 24-month period following the Change of Control or during the sixty (60) days immediately preceding the date of a Change of Control, 100% of Mr. Marchiando's unvested options will be fully vested and the restrictions on his restricted shares will lapse. The Marchiando Agreement also provides for severance payments of, amongst other things, a lump sum payment of 200% of the Marchiando Base Salary, 200% of Mr. Marchiando's Performance Bonus (as defined in the Marchiando Agreement) earned in the last 12 months preceding the Change of Control and payment of 24 months of the Marchiando Base Salary in such event.

Policies and Procedures for Related Party Transactions

We have adopted a formal policy that our executive officers, directors, holders of more than 5% of any class of our voting securities, and any member of the immediate family of and any entity affiliated with any of the foregoing persons, are not permitted to enter into a related party transaction with us without the prior consent of our Audit Committee, or other independent members of our Board if it is inappropriate for our audit committee to review such transaction due to a conflict of interest. Any request for us to enter into a transaction with an executive officer, director, principal shareholder, or any of their immediate family members or affiliates, in which the amount involved exceeds the lesser of \$120,000 or 1% of the average of our total assets at year-end for the last two completed fiscal years must first be presented to our audit committee for review, consideration and approval. In approving or rejecting any such proposal, our Audit Committee is to consider the relevant facts and circumstances available and deemed relevant to the audit committee, including, but not limited to, whether the transaction is on terms no less favorable than terms generally available to an unaffiliated third party under the same or similar circumstances and the extent of the related party's interest in the transaction. All of the transactions described below were entered into prior to the adoption of this policy.

Related Party Transactions

We describe below transactions and series of similar transactions, since January 1, 2021, to which we were a party or will be a party, in which:

The Convertible Note was originally convertible into the Company's common stock at \$48.00 per share. In addition, the Company's subsidiaries guaranteed the Company's obligations under the Convertible Note. On March 31, 2021, HEP Investments entered into a "Debt Extension and Conversion Agreement" with the Company providing that the Convertible Notes, including principal and accrued interest, would automatically convert into shares of common stock upon consummation of an underwritten public offering of the Company's common stock.

On June 2, 2021, in accordance with the Debt Extension and Conversion Agreement, all of the outstanding debt and accrued interest for the Convertible Notes was automatically converted into common stock of the Company. The principal amount of \$4,090,342 and the accrued interest to June 2, 2021, of \$2,161,845 totaled \$6,252,187; this total amount was converted into 130,253 shares of common stock (calculated at \$48.00 per share). As of December 31, 2021, the Company has no further remaining financial obligations to the HEP Investments under the terms of the Loan Agreement, the Convertible Note or the Registration Rights Agreement. Additionally, as of the conversion of the total outstanding principal and accrued interest balance, HEP Investments no longer retains a security interest in the Company's intellectual property or other assets.

In January 2019, and in connection with the Convertible Note, HEP Investments entered into a life insurance policy for Andrew Dahl, our former Chief Executive Officer. On February 23, 2021, the Company and HEP Investments entered into a Letter Agreement in which the Company agreed to pay certain premiums of \$2,565 per month under the life insurance policy while payments under the Convertible Note remained outstanding. Upon conversion of the Convertible Notes on June 2, 2021, the Company immediately stopped paying the premiums under the life insurance policy.

Additionally, in June 2018, the Company issued to Strome a warrant exercisable for 52,083 shares of Common Stock at an exercise price of \$48.00 for a term of 5 years, in exchange for \$2 million.

Two of the Company’s members of the Board participated in the 2021 Offering; Christopher D. Maggiore purchased 16,666 units, and Alison A. Cornell purchased 2,500 units. No other related parties participated in the 2021 Offering.

Payne Bridge Loan

On April 3, 2023, the Company entered into a Subscription Agreement with John Payne, the Company’s Chief Executive Officer (the “Subscriber”), pursuant to which the Company, in a private placement, agreed to issue and sell to the Subscriber a 10% promissory note with a principal amount of \$1 million (the “Note”) and a warrant (the “Warrant”) to purchase 65,000 shares of the Company’s Common Stock at an exercise price of \$17.46.

The Warrant is exercisable commencing on the date of issuance and expires on the three-year anniversary of the issuance date or April 3, 2026. The exercise price and number of the shares of our common stock issuable upon exercising the Warrant will be subject to adjustment in the event of any stock dividends and splits, reverse stock split, recapitalization, reorganization or similar transaction, as described therein.

PROPOSAL NO. 2 - RATIFICATION OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

The Audit Committee has appointed BDO as the independent registered public accounting firm to audit the Company's consolidated financial statements for the year ending December 31, 2024.

At the Annual Meeting, the shareholders are being asked to ratify the appointment of BDO as our independent registered public accounting firm for the fiscal year ending December 31, 2024. Our Board is submitting the selection of BDO to our shareholders because we value our shareholders' views on our independent registered public accounting firm and as a matter of good corporate governance. If this proposal does not receive the affirmative approval of a majority of the votes cast on the proposal, the Board would reconsider the appointment. Even if our shareholders ratify the selection, our Board, in its discretion, may appoint another independent registered public accounting firm at any time during the year if the Board believes that such a change would be in our best interests and the interests of our shareholders.

Audit Services and Fees

Change in Independent Registered Public Accounting Firm

On February 10, 2022, the Audit Committee of the Board engaged BDO to serve as the Company's independent registered public accounting firm for the Company's fiscal year ending December 31, 2021.

BDO has served as our independent auditor since February 2022 and, acting as our independent auditor, has reported on our December 31, 2022 financial statements contained in our 2022 Annual Report on Form 10-K filed with the SEC on March 14, 2023, and our December 31, 2023 financial statements contained in our 2023 Annual Report on Form 10-K filed with the SEC on March 15, 2024. We have selected BDO to serve as our independent auditors for the current fiscal year ending December 31, 2024. No representative of BDO will be present at the Annual Meeting.

Prior to the Audit Committee's formation in 2021, it was the Board's policy and practice to review and approve in advance all services, audit and non-audit, to be rendered by the Company's independent auditors. The Board does not delegate this responsibility to Company management.

The following table shows the fees for professional services rendered to us by BDO for services in respect of the fiscal year ended December 31, 2023 and 2022, respectively, which were approved by the Board or Audit Committee in accordance with its established policies and procedures.

Policy on Audit Committee Pre-Approval of Audit and Permissible Non-Audit Services of Independent Registered Public Accounting Firm

Our Audit Committee generally pre-approves all audit and permitted non-audit and tax services provided by the Company's independent registered public accounting firm. Pre-approval is detailed as to the particular service or category of services and is generally subject to a specific budget. The independent registered public accounting firm and management are required to periodically report to the Audit Committee regarding the extent of services provided by the independent registered public accounting firm in accordance with this pre-approval, and the fees for the services performed to date. Our Audit Committee may also pre-approve particular services on a case-by-case basis. All of the services relating to the fees described in the table above were approved by our Audit Committee.

THE BOARD RECOMMENDS A VOTE "FOR" APPROVAL OF PROPOSAL NO. 2.

PROPOSAL NO. 3 - ADVISORY VOTE ON NAMED EXECUTIVE OFFICER COMPENSATION

Our Board proposes that shareholders provide advisory (non-binding) approval of the compensation of our named executive officers, as disclosed in this proxy statement in accordance with the SEC's rules (commonly known as a "say-on-pay" proposal). We recognize the interest our shareholders have in the compensation of our executives and we are providing this advisory proposal in recognition of that interest and as required by the Dodd-Frank Wall Street Reform and Consumer Protection Act of 2010, or the Dodd-Frank Act.

Our named executive officer compensation program is designed to attract, motivate, and retain our named executive officers, who are critical to our success, and ensure alignment of such persons with shareholders. Under this program, our named executive officers are rewarded for their service to the Company and the realization of increased shareholder value. We believe our executive officer compensation programs also are structured appropriately to support our Company and business objectives and to conserve our scarce cash resources.

Please read the "*Executive Compensation - Summary Compensation Table*", for additional details about our named executive officer compensation program.

In a non-binding advisory vote on the frequency of the say-on-pay proposal held at our 2020 annual meeting of shareholders, a majority of shareholders voted in favor of holding say-on-pay votes annually. In light of this result and other factors, the Board determined that the Company would hold advisory say-on-pay votes on an annual basis until the next required advisory vote on such frequency, which must be held no later than 2026.

We are asking our shareholders to indicate their support for our named executive officer compensation as described in this proxy statement. This vote is not intended to address any specific item of compensation, but rather the overall compensation of our named executive officers and the philosophy, policies and practices described in this proxy statement. Accordingly, we will ask our shareholders to vote "FOR" the following resolution at the Annual Meeting:

"RESOLVED, that the Company's shareholders approve, on an advisory basis, the compensation of the Company's named executive officers, as disclosed in the Company's Proxy Statement for the 2024 Annual Meeting of Shareholders pursuant to the compensation disclosure rules of the Securities and Exchange Commission, including the Summary Compensation Table and the other related tables and disclosure."

The say-on-pay vote is advisory, and therefore not binding on the Company or our Board. We value the opinions of our shareholders and to the extent there is any significant vote against the named executive officer compensation as disclosed in this proxy statement, we will consider our shareholders' concerns and the Board will evaluate whether any actions are necessary to address those concerns.

THE BOARD RECOMMENDS A VOTE "FOR" THE APPROVAL OF THE COMPENSATION OF OUR NAMED EXECUTIVE OFFICERS, AS DISCLOSED IN THIS PROXY STATEMENT PURSUANT TO THE COMPENSATION DISCLOSURE RULES OF THE SECURITIES AND EXCHANGE COMMISSION.

Vote Required

The affirmative vote of a majority of the votes cast at the annual meeting will be necessary to approve the compensation of our named executive officers. Abstentions and broker non-votes will have no effect on the outcome of the vote.

OTHER MATTERS

Householding

The SEC's rules permit us to deliver a single Annual Report on Form 10-K and proxy materials to one address shared by two or more of our shareholders. This delivery method is referred to as "householding" and can result in significant cost savings to us. To take advantage of this opportunity, we have delivered only one Annual Report on Form 10-K and proxy materials to multiple shareholders who share an address, unless we received contrary instructions from the impacted shareholders prior to the mailing date. We agree to deliver promptly, upon written or oral request, a separate copy of the Annual Report on Form 10-K and proxy materials, if applicable, to any shareholder at the shared address to which a single copy of these documents was delivered. If you prefer to receive separate copies of the Annual Report on Form 10-K and proxy materials now or in the future, contact in writing: Issuer Direct Corporation, 1981 Murray Holladay Road, Suite 100, Salt Lake City, UT, 84117 (www.issuerdirect.com). Any shareholders who share the same address and currently receive multiple copies of our Annual Report on Form 10-K and other proxy materials who wish to receive only one copy in the future can contact their bank, broker, or other holder of record to request information about "householding" or Issuer Direct Corporation at the address or telephone number listed above.

Shareholder Proposals for 2025 Annual Meeting

Deadline for Submission of Shareholder Proposals and Recommendations for Director

Shareholder proposals for inclusion in our proxy materials for the 2025 annual meeting of shareholders must be received by us no later than December 27, 2024. These proposals must also meet the other requirements of the rules of the SEC.

Regarding proposals that shareholders otherwise desire to introduce at our annual meeting in 2025, without inclusion in our proxy statement for that meeting, written notice of such shareholder proposals for such annual meeting must be received by our Secretary not later than March 12, 2025, and, with respect to proposals for the nomination of directors, should be received by our Secretary, Keith R. Marchiando at 21 E. Long Lake Road, Suite 100, Bloomfield Hills, MI 48304, not less than 14 days nor more than 60 days prior to the 2025 annual meeting of shareholders called for the election of directors in order to be considered timely and must contain specified information concerning the matters proposed to be brought before such meeting and concerning the shareholder proposing such matters. The matters proposed to be brought before the meeting also must be proper matters for shareholder action. If a shareholder who wishes to present such a proposal fails to notify us within the specified time frame, the proxies that management solicits for the meeting will have discretionary authority to vote on the shareholder's proposal if it is properly brought before the meeting. If a shareholder makes a timely notification, the proxies may still exercise discretionary voting authority under circumstances consistent with the proxy rules of the SEC.

The notice should set forth: (a) for each nominee (i) information as would be required to be included in a proxy statement filed pursuant to the proxy rules of the SEC, and (ii) written consent of the nominee to be named in the proxy statement and to serve as director if so elected; (b) a brief description of any proposed business including (i) the text of such proposal and any accompanying resolutions, (ii) the reasons for conducting such business at the meeting, (iii) any material interest held by the proposing shareholder or any beneficial owner on whose behalf the proposal is made; and (c) proposing shareholder and/or beneficial owner information including, (i) name and address, (ii) the class and number of shares of capital stock held, (iii) a representation that they are the holder of record, are entitled to vote, and intend to appear in person or by proxy and propose such business or nomination, and (iv) a representation of intention to either deliver proxy statements to holders of the necessary percentage of shares or to solicit proxies in support of the proposal. The shareholder can alternatively satisfy the notice requirement by submitting proposals in compliance with SEC requirements and inclusion of such proposal within a proxy statement prepared by us.

In addition to satisfying the foregoing requirements, to comply with the SEC's universal proxy rules, shareholders who intend to solicit proxies in support of director nominees other than the Company's nominee must provide notice that sets forth the information required by Rule 14a-19 under the Exchange Act no later than April 12, 2025.

Expenses of Solicitation

All costs of solicitation of proxies will be borne by the Company. In addition to solicitations by mail, certain of our directors, officers and regular employees, without additional remuneration, may solicit proxies in person or by telephone or electronic mail. Brokers, custodians and fiduciaries will be requested to forward proxy soliciting material to the owners of stock held in their names, and we will reimburse them for their reasonable out-of-pocket costs. Solicitation by our officers and employees may also be made of some shareholders in person or by mail, telephone or telegraph following the original solicitation.
